Offline access tips

- e-Sword (https://www.e-sword.net/): free Bible software for Windows; download Bibles and commentaries once, then use with no internet.
- AndBible (https://andbible.github.io/): free, open-source Android Bible app with offline Bibles and commentaries.
- Ligonier: Sproul series stream online; watch them over Wi-Fi where you can.

- Desiring God podcast pages: each episode has an MP3 link; download on Wi-Fi and share by Bluetooth, USB, or SD card.
- CCEL and Internet Archive books: choose the EPUB or text version where offered; they are much smaller than scanned PDFs.
- GotQuestions articles are short, light pages that print well for a class handout.
- Have one person with good internet download everything onto a USB drive or SD card for the whole class.
- ESV Bible app (https://www.esv.org/app/): free from Crossway for Android and iPhone, with the full ESV text and the free ESV Global Study Bible notes; ESV.org offers the same text, reading plans, and notes in a browser. Audio streams only, so it needs internet.
